

Frederick News – May 26, 2023

Important Dates

MAY 26 – Early Dismissal 11:45 AM

MAY 29 – No School – Memorial Day

MAY 30 – Dog & Suds Dine & Share

MAY 31 – Last Day of School (Regular Dismissal @ 3:15)

Ronald McDonald Mobile Care

CCSD 46 is welcoming the Ronald McDonald Care Mobile this summer in the Frederick School – D46 District Office parking lot.

This service provides physicals and vaccines – FREE of charge – for those who do not have insurance or are currently on Medicaid. Illinois state law requires a physical and current vaccines when entering kindergarten and 6th grade, or for new students who are entering the district for the first time. Join us **Tuesday, June 13** in the Frederick School – D46 District Office parking lot at 565 Frederick Road, Grayslake from 9:00 AM – 2:30 PM. Please be sure to bring the appropriate forms on our district website:

<https://d46.org/departments/health-services/health-resources/>

Chromebook Collection

CCSD 46 will be collecting all chromebooks prior to students leaving for the summer. A full collection will allow us to do a complete, updated inventory, clean and repair all devices, and have them ready for use on the first day of school in August. Students attending one of our summer programs will be issued a different chromebook to use.

Any families that feel they must have a chromebook over the summer may sign one out from our technology department June 5 - 8, 8:00 am to 4:00 pm. The CCSD 46 Technology office is located at 450 Baron Blvd. - in front of Grayslake Middle School. Please bring your student(s) with you since they will also need to sign the [Chromebook Sign Out Form](#).

Please note: Current 8th grade students and anyone else leaving the district is not eligible for a summer chromebook.

Recogida de Chromebook

CCSD 46 recogerá todos los Chromebooks antes de que los estudiantes se vayan para el verano. Una colección completa nos permitirá hacer un inventario completo y actualizado, limpiar y reparar todos los dispositivos, y tenerlos listos para su uso en el primer día de clases en agosto. Los estudiantes que asistan a uno de nuestros programas de verano recibirán un Chromebook diferente para su uso.

Cualquier familia que sienta que debe tener un Chromebook durante el verano puede firmar uno de nuestro departamento de tecnología del 5 al 8 de junio, de 8:00 am a 4:00 pm. La oficina de Tecnología de CCSD 46 está ubicada en 450 Baron Blvd. - en frente de Grayslake Middle School. Por favor traiga a su estudiante (s) con usted, ya que también tendrá que firmar para el Chromebook.

Tenga en cuenta: Los estudiantes actuales de 8 ° grado y cualquier otra persona que salga del distrito no es elegible para un Chromebook de verano. Scott Clay
Interim Director of Technology

From our CCSD 46 Department of Teaching and Learning

In an effort to support student learning outside of the classroom, CCSD 46 is partnering with TutorMe to provide students with 24/7, on-demand online tutoring in grades 2-8. TutorMe connects students with highly qualified tutors for 1:1 support, whenever and wherever they need it the most. TutorMe tutors provide tailored, 1:1 learning support that helps students master concepts, build self-confidence, and excel academically.

TutorMe's thriving community of tutors includes thousands of certified teachers, professionals, advanced-degree holders, and other subject matter experts. All tutors must pass a criminal background check, knowledge assessment, and education verification before they begin working with your students. The TutorMe Lesson Space replicates the best parts of in-person learning – including live audio and video for face-to-face collaboration – while empowering students who feel more confident and productive in a virtual setting.

Please watch [this short video demonstration](#) to learn more about how students access the TutorMe platform. Students who do not have access to a device at home this summer can check out a Chromebook from the district to have access to TutorMe. This platform will be available for students beginning this week and throughout the 23-24 school year.

En un esfuerzo por apoyar el aprendizaje de los estudiantes fuera del aula, CCSD 46 se ha asociado con TutorMe para ofrecer a los estudiantes tutoría en línea 24/7, bajo demanda en los grados 2-8. TutorMe conecta a los estudiantes con tutores altamente calificados para el apoyo 1:1, cuando y donde más lo necesitan. Los tutores de TutorMe ofrecen un apoyo personalizado y directo que ayuda a los estudiantes a dominar los conceptos, ganar confianza en sí mismos y mejorar su rendimiento. a dominar conceptos, ganar confianza en sí mismos y sobresalir académicamente.

La próspera comunidad de tutores de TutorMe incluye a miles de profesores certificados, profesionales, titulados superiores y otros expertos en la materia. Todos los tutores deben pasar una comprobación de antecedentes penales, una evaluación de conocimientos y una verificación educativa antes de empezar a trabajar con tus alumnos. TutorMe Lesson Space reproduce las mejores características del aprendizaje presencial, como el audio y el vídeo en directo para la colaboración cara a cara, al tiempo que permite a los alumnos sentirse más seguros y productivos en un entorno virtual.

Vea este [breve vídeo de demostración](#) para obtener más información sobre cómo acceden los estudiantes a la plataforma TutorMe. Los estudiantes que no tienen acceso a un dispositivo en casa este verano pueden sacar un Chromebook del distrito para tener acceso a TutorMe. Esta plataforma estará disponible para los estudiantes a partir de esta semana y durante todo el año escolar 23-24.

In case you missed it, here is the email communication sent out yesterday by our Superintendent

5/25/23

Dear CCSD 46 Community,

As our year draws to a close, I extend enormous gratitude to the families, students, and staff members who make CCSD 46 such a very special place. I feel thankful every single day to be a part of this amazing community.

Celebrations and Goodbyes

Earlier this month, I let you know that ten of our outstanding educators had been nominated as Lake County Educators of the Year in various categories. Today, I'm thrilled to share that Ms. Jessica Achtor, a Park Campus MultiLingual teacher, was honored as the winning Lake County Teacher of the Year in the Teacher of Diverse Learners category. We are so proud to have Ms. Achtor working with our students!

Speaking of outstanding staff members, recently Ms. Christina Payton, Frederick School Dean, was highlighted in the D46 Inspires Podcast! Visit our website [here](#) to listen to a student share why Ms. Payton is so special to her. There will be a couple of other staff members highlighted on the D46 Inspires podcast before the school year ends, so be sure to check back next week!

We are also saying goodbye to thirteen special staff members who are retiring this year. These devoted individuals have a whopping 286 years of combined experience serving our students, staff, and community! Thank you, and farewell also to:

- Mr. Tim Borries, GMS Teacher, for 34 years of service*
- Ms. Rhonda Frey, GMS Teacher, for 34 years of service*
- Mr. Eric Detweiler, Frederick Principal, for 29 years of service*
- Ms. Susan Hansen, Prairieview Reading Specialist, for 25 years of service*
- Ms. Roxanne McClyman-Schmitt, Early Childhood Center, for 24 years of service*
- Ms. Eileen Allenstein, GMS Administrative Assistant, for 23 years of service*
- Ms. Cheryl Tednes, Frederick Administrative Assistant, for 23 years of service*
- Ms. Cindy Biederer, Frederick Secretary, for 22 years of service*
- Ms. Gayla King, Frederick Teacher, for 19 years of service*
- Ms. Ana Geier, Avon Teacher, for 18 years of service*
- Ms. Debra Sutton, GMS Teacher, for 18 years of service*
- Ms. Linda Weisenberg, Floating Secretary, for 10 years of service*
- Ms. Patti Paiz, Park Teacher, for 7 years of service*

E-Learning Days

During the 2022-2023 school year, CCSD 46 utilized an E-Learning Day due to predicted inclement weather. Only one E-Learning Day was used, and this occurred on February 16, 2023. In April, we conducted a Thought Exchange to gather feedback from the community about the E-Learning Day in order to make plans for the future. There was significant participation in this survey, with a total of 535 responses.

Of the 535 respondents, approximately 85% identified themselves as parents/guardians, and the rest identified themselves as staff members. In total, there were 466 thoughts shared, and 10,047 ratings.

Two quantitative questions were asked:

1. Please identify the extent to which you agree or disagree with this statement: I would like CCSD 46 to use E-Learning Days instead of Snow Days as long as ample warning is given.

60% of respondents strongly agreed or agreed with this statement, 34% strongly disagreed or agreed, and 6% were neutral.

2. How satisfied were you with the E-Learning Day?

61% of respondents indicated a score of 7 -10 (with 10 meaning Extremely Satisfied), 19% indicated a score of 4 - 6, and 20% indicated a score of 0-3.

The following question was asked in this Thought Exchange:

What successes and challenges did you and/or your family experience related to E-Learning on February 16, 2023?

A wide range of successes and challenges were identified. For some, the transition to E-Learning was seamless, with no technical issues and students glad to participate. Others found it difficult to manage multiple schedules while working. Some parents/guardians found it challenging to provide support for their children, and others were concerned about the amount of screen time exposure for their children. Some stakeholders commented that E-Learning is challenging for younger students and students who need extra support to learn. Despite these challenges, many stakeholders found that E-Learning was a positive experience, with students able to continue their education from home and the school year not needing to be extended. There were also comments about the structure of the day, with suggestions made that including more asynchronous time would be beneficial. Notably, there were extremely positive comments about the work of the CCSD 46 teachers during the E-Learning Day. As well, some respondents commented that they would prefer for children to be able to enjoy Snow Days instead of attending school with an E-Learning Day. Finally, comments were made about the amount of time provided for families and staff members to prepare for E-Learning, with some respondents satisfied with the notification schedule, and others dissatisfied. You can view a slideshow regarding the feedback presented at the May 3 Board of Education Meeting [here](#).

Based upon this feedback, CCSD 46 will plan to use E-Learning Days in most cases of inclement weather as long as staff and students are aware of the possibility of an E-Learning Day prior to the event and can prepare for E-Learning. However, more asynchronous learning will be incorporated into the day. This will allow students to step away from their devices, and some families may choose to enjoy the weather conditions during such asynchronous time and complete work at a later time. Also, it is possible that having several days of inclement weather may mean that CCSD 46 might have a Snow Day instead of an E-Learning Day.

Student Activities Donation Link

We are pleased to share that the district has launched a student activity fee donation link on the homepage of the district website. This [donation link](#) will allow community members and parents to provide a helping hand to CCSD 46 students with financial need to take part in extracurricular activities. All donations will be tax deductible.

Summer Events

The school year is coming to a close, but there are so many wonderful events available for families this summer. Here is a short list of some summer opportunities in the community:

May 29, 9:30 a.m. [Memorial Day Parade & Ceremony](#)

May 30, 4:00-9:00 p.m. [D46 School's Out Celebration - Dog n Suds Fundraiser](#)

June 10, 10:00 a.m. [Community Resource Fair - Saturday at the Library](#)

June 11, 12:00 p.m. [Grayslake Pride Parade](#)
June 19, 5:00 p.m. [Juneteenth Walk](#)
June 23-25 [Hainesville Village Wide Garage Sale](#)
June 24, 3:00 - 10:00 [Taste of Grayslake Family Picnic and Fireworks](#)
July 1, 3:00 - 11:00 [Round Lake Beach BeachFest and Fireworks](#)
July 15, 7:30 a.m. [Grayslake 5K Family Fun Run and Walk](#)
August 18-19 [Grayslake Summer Days](#)

Wishing our families and staff members wonderful, memorable moments this summer!

Sincerely,

Dr. Lynn Glickman
Superintendent

SUMMER READING CHALLENGE

June 1 - August 7

All Ages

Get ready to take on the **Wander, Explore, and Discover** challenge! Embark on a journey of exploration and discovery by completing **fun activities** and reading for **30 days**. **ALL ages** are invited to participate, whether reading to someone or reading on your own, because **ALL reading counts!**

How does it work?

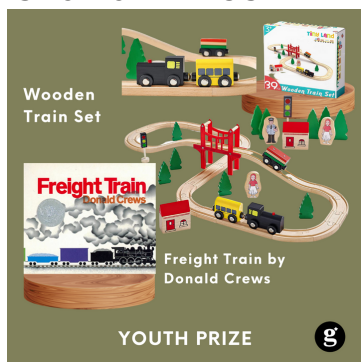

Sign up in Beanstack* on or after **June 1**. Then come into the library and pick up your **T-shirt** while supplies last. Log your reading days and activities. If you log at **least one day of reading**, you will be eligible for **all the weekly gift card drawings** to local businesses that follow.

Complete the challenge by **reading for 30 days**, and you'll earn a **FREE book**.

And that's not all - when you complete the challenge, you'll have a chance to win one of the **fantastic grand prizes**. And if you earn the activity badges, you will **increase your chances!** The challenge ends on **August 7** with a live grand prize drawing and a **family concert with Barefoot Hawaiian!**

*If you do not have access to Beanstack, no worries! Come to the library and get a print log when you register.
