Welcome to another fantastic year at Frederick! I'm very excited for a new school year directing the Frederick Choir. I have been the general music teacher at Frederick for 21 years and love to sing. We will have two choirs, one for each grade level, and many opportunities for students to showcase their music talent; solo singing, piano or other instrument or even dance in concerts. FIFTH GRADE CHOIR BEGINS TUESDAY, SEPTEMBER 5th at 8am and SIXTH GRADE CHOIR BEGINS THURSDAY, SEPTEMBER 7th at 8am.

Schedule

All Choir rehearsals take place once a week from 8:00-8:40am in the music room. This time slot does not interfere in any way with the core classes being taught in your child's classroom. 5th graders will meet on Tuesday mornings, and 6th graders will meet on Thursday mornings. This will avoid any conflicts with morning band rehearsals so that choir students are not missing any rehearsals of either performing group.

Contacting Mrs. Davis

For all contact information, please note the phone numbers and email address on the cover of this packet. Also, please be advised that my voicemail is NOT connected to a direct phone line (it will simply go straight to my voicemail). The best time to get in touch with me through the front office is 8:00-9:00am Monday, Wednesday or Friday or 3:15-3:30 any day. Otherwise, I am very prompt at replying to emails. I will usually respond to emails within a few hours. Also, I will be sending out information throughout the year using the email addresses you provide on the registration form.

Attendance

Because we only meet once a week, **attendance is vital** to the success of each ensemble. I take attendance each rehearsal via a sign-in sheet. If your child needs to miss a rehearsal for any reason, please let me know as soon as possible. Too many absences may jeopardize your child's eligibility to perform in our concerts/contests. As choir is like a team, we rely on all the members to be present to work together.

Drop Policy

During the year, if your child is no longer interested in continuing choir, you (the parent) **MUST** notify me in writing of his/her intent to discontinue. Upon receipt of your written consent, I will remove your son or daughter from my roster and take you off my mailing list so you won't receive any email updates in the future. Without written notification I cannot remove your child from choir, and they will continue to be called down for rehearsals.

Set the Date! Please mark on your calendars.

Here are some very important concert dates to write down.
