

FREDERICK FALCONS WEEKLY NEWS

NOVEMBER 15, 2024

PRINCIPAL'S MESSAGE

Dear Frederick Families,

This past Monday morning, Frederick hosted our annual Veterans Day assembly. We were so pleased to have many veterans in attendance! On behalf of all of Frederick School, thank you to all veterans for your service to our nation! This is always one of most special assemblies of the school year, as we bring the whole school together to acknowledge this important day.

I also wanted to extend our appreciation to the PTO, who worked so hard to put on a welcome reception for our veterans prior to the assembly. Our 6th grade choir did a beautiful job singing the national anthem while our cadet band did a marvelous job performing the "Armed Forces Medley" and helped contribute to a very moving assembly. We are also very grateful to Mr. Vince Dasta for his help in working to involve many students from local scout troops to present our nation's colors and to Ms. Zoe Magnetta, Grayslake Trustee and U.S. Navy veteran for being our special guest speaker!

All of our students did an amazing job as an audience showing appreciation and respect, and we are so appreciative to all of our staff who worked extremely hard to help with setup, supervision, and organization of all the little details to make the assembly run as smoothly as possible. If you haven't yet had an opportunity, please take a look at Frederick's facebook page to see some great photos from this week's assembly. Parents and guardians will also get a chance to hear the moving "Armed Forces Medley" played live by our Cadet band next month at our first band concert of the school year!

Have a wonderful weekend!

Book Fair and the Lost & Found

During our conference times, we will also be hosting the school book fair in our multi-purpose room if any families would like to view books available for purchase.

Our lost and found will also be accessible to families in the multipurpose room during conferences. As the weather cools down, we want to make sure our students are well prepared for the changing seasons. We've noticed that our lost and found collection has grown, and it might contain some of your child's misplaced items. Please encourage your child to check this area for any of their missing belongings, or you are welcome to browse these lost items before or after your child's conference.

Physical Education

What's Been Happening

Since school started, our students have done a nice job following PE expectations and learning the daily warm up routines. They have finished our pickleball, football, flickerball, and soccer units. We have all enjoyed the nice fall weather and have been able to get outside most days. Throughout each week, the PE schedule is, generally, two days of our main unit activity, a mix of fitness and teamwork activities, and a cardio day.

What's Coming Up

Upcoming units for winter will be volleyball, floor hockey, team handball and basketball mixed up with all the famous Frederick School games!.

Reminders

Please help your student remember to bring gym shoes to school for PE. As boot season arrives, sometimes they need the reminder.

If your student is unable to participate in PE due to a medical reason, a parent note is acceptable for two days. If the student needs more time to recover, a doctor's note will be required.

Conferences

If you would like to meet with your child's teacher please email them to set up a time. If you have any questions or concerns regarding health class, please contact Mrs. Rappaport, the health teacher.
